If your child is enrolled to Family Health or Peds and needs a sports physical for school please contact Central Appointments at **623-856-2273 (CARE)** to book an appointment.

Please bring in all school forms, immunization records, and glasses or contacts as needed.

Each child will be given a sports physical which includes height, weight, eye and provider examination.

We will also verify all immunizations are current.

If your child has any lab requirements please come in at least 24 hours prior to your appointment.

You may also discuss mouth guard safety with our dental staff and sports injury prevention with our physical therapy staff.
