Aircraft. None.

Emblem. Approved on 2 September 1970, Updated 7 Apr 2009.

Blazon. On a disc parted per fess Celeste and Argent, surmounted by a coiled sidewinder Or, his diamond back Brown, eyed of the third, fang of the second, tongue Gules; all within a narrow Blue border.

Attached above the disc is a Yellow scroll edged with a narrow Blue border and inscribed "ALWAYS READY" in Blue letters.

Attached below the disc is a Yellow scroll edged with a narrow Blue border and inscribed "607 ACS" in Blue letters.

Motto. ALWAYS READY

Significance. Blue and yellow are the Air Force colors. Blue represents the sky, the primary theater of Air Force operations. Yellow signifies the sun and the excellence of all the Air Force personnel. The two colors of the field represent day and night time operations. The coiled snake symbolizes the defense role and land base missions of the unit, its reposed position signifies the ability to strike, and always ready with little notice.

1947, it moved to Turner Field (later, Air Force Base), Georgia. On 27 August 1950, after the outbreak of the Korean War, the squadron left Turner AFB on its way to Pusan, South Korea, where it arrived on 24 September 1950. On 13 October 1950, the 607th moved to Kimpo Air Base, South Korea, and in December 1950 moved back to Pusan. On 21 March 1951, it moved to Yoju, South Korea, and in February 1952, it moved again to Uijongbu, South Korea. In November 1953, the unit moved to Oyeongtaek, South Korea. On 1 October 1957, the squadron inactivated. For its effort the squadron received 9 campaign streamers, two Distinguished Unit Citations and two Republic of Korea Presidential Unit Citations.

On 13 October 1969, the unit was redesignated as the 607th Tactical Control Squadron. It activated on 15 October 1969 at Luke AFB, Arizona, and was assigned to the 602d Tactical Control Group (later, 602d Tactical Air Control Group; 602d Tactical Air Control Wing; 602d Air Control Wing. On 1 October 1979, the squadron was redesignated the 607th Tactical Control Training Squadron. On 1 November 1991, it was redesignated the 607th Air Control Squadron. On 1 May 1992, the unit was reassigned to the 58th Operations Group. On 1 July 1993, the squadron was reassigned to the 355th Operations Group. For its work in Southwest Asia, the squadron received a campaign streamer. On 1 May 2008, it was reassigned to the 552d Air Control Group. On 1 July 2013, the 607th was reassigned to the 56th Operations Group. Today, it provides in-garrison radar control to flying units operating in local airspace.
