

DEPARTMENT OF THE AIR FORCE
56TH MEDICAL OPERATIONS SQUADRON (AETC)
LUKE AIR FORCE BASE AZ 85309-1525

26 January 2010

MEMORANDUM FOR CIVILIAN EMPLOYEES

FROM: 56MDOS/SGOH
7219 N. Litchfield Rd
Luke AFB, AZ 85309-1529

SUBJECT: Civilian Personnel Drug and Alcohol Abuse Prevention and Treatment Program (ADAPT)

1. Alcoholism and drug addiction are illnesses that can be prevented and treated.
2. The Air Force is concerned with employees' use of alcohol and drugs which can cause problems in their employment as well as other aspect of their lives.
3. The Luke AFB Alcohol and Drug Abuse Prevention and Treatment (ADAPT) program provides substance use evaluations to DOD civilians. If appropriate, the ADAPT program will make referrals to community programs for treatment.
4. If you suspect that you or someone you know has a problem with drugs or alcohol, please contact the ADAPT program at x7579 for more information about assessment and treatment options.

A handwritten signature in black ink, appearing to read "KH", is written over a horizontal line.

Kevin D. Hurley, Psy.D., Capt, USAF, BSC
ADAPT Program Manager
