Luke AFB Travel Reduction Program (TRP)

What is a TRP?

Fly, Fight, & Win

- The TRP began in 1989 as a State of Arizona response to a court ruling requiring greater efforts to reduce air pollution
- Commuters are a significant contributor to regional air pollution
- A Maricopa County Air Quality Department regulation that applies to all employers with >50 employees
- Goal to reduce single occupancy vehicle trips
 - Vanpool, carpool, bus, light rail, bike, walk
- Progress tracked through annual commute survey

Luke AFB TRP

Fly, Fight, & Win

- Air Force supports travel reduction nationwide via Mass Transit Benefit Program
- Policy to provide mass transit benefits to reduce air pollution and traffic congestion, preserve the environment, and expand transportation alternatives
- Benefit in the form of a subsidy for Vanpool and Bus riders
 - Vanpool riders up to \$280 per month via debit card
 - Bus riders free via Platinum Plus Bus Card

What is a Vanpool?

Fly, Fight, & Win

- Six + people
 - Currently don't require six due to COVID social distancing
- Captain and alternate
- All riders share cost of lease and fuel
- Captain allowed up to 300 miles/month personal use
- Up to \$280/month/rider via centrally loaded debit card
- Save money vs POV; fuel, insurance, maintenance
- *Relax* while someone else drives
- Faster commute via HOV lanes

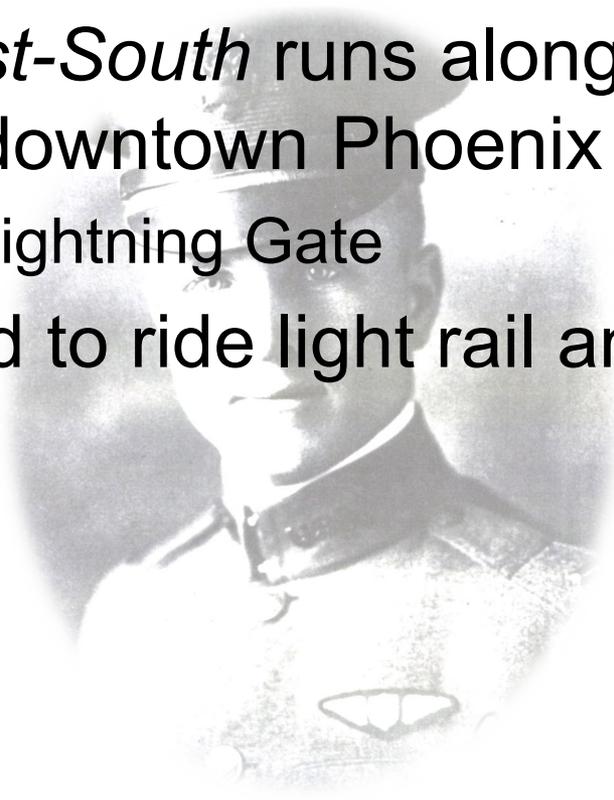

What is a Bus Card?

Fly, Fight, & Win

- Ride *Valley Metro* buses, light rail, for free anywhere in the Valley
- Bus route *70 East-South* runs along Glendale Ave & 24th Street from downtown Phoenix to Lightning Gate
 - Hourly stops at Lightning Gate
- Use the Bus Card to ride light rail anywhere in the Valley
